

# UnClue

**Event Heads:** Koushik, Prakruti

**Short (Tacky) Description:** A killer is on the loose and we're betting on you to catch him. Follow the clues as they take you to places. Each Place brings you one step closer to the truth. What are you waiting for? Put on your detective hats and UnClue! - *description for website and promotional use.*

## **Description/ Structure:**

- Participants will be split into teams and the murder case will be explained to them.
- They will be given two sets of clues- One, leading them to the next location and the other will reveal details about the case.
- Participants must crack the clues to get to the next location to get their next set of clues.
- The aim of the game is to link the clues of the case and find the killer.
- The first team to find the killer will be declared the winner.

## **General Rules:**

- Teams of 3 to 4 people.
- Event Duration: 1Hour +30 mins(buffer).

## **Progress Report:**

- Basic Event plan, description and structure(basic info that the participants must know- while promotions) is ready and finalised.

## **For this weekend , we shall work on:**

- Formalising general rules , if required. Eg: Restrictions/Prohibitions.
- Event poster and Event Logo for promotions and website respectively to be prepared and finalised- **this has to be done by October 7th ,2018.**
- Later on for the next week, we work on logistical requirements ,murder story to be finalised and preparation of clues with respect to the decided murder story.
- **Deadline to finish all event related work- 16th October,2018.**
